Everything content brief

Know what you're creating, why you're creating it, and who needs to be involved – always.

The Everything content brief consolidates the messy world of content creation into a single document that gets everyone on the same page before any work begins.

Get started in a few clicks.

Have a Notion account

01 Open the template. It loads in a new tab.

02 Click “Duplicate” in the upper-right corner. Notion copies the template into your workspace in a few seconds.

03 Find it at the top of your sidebar, then work through the “How to use” section inside the template.

New to Notion

01 Open the template and click “Try Notion” in the upper-right corner. Accounts are free.

02 Once your account is set up, open the template link again and follow the steps above.

GOOD TO KNOW

Pro tip

Get familiar with the template on desktop before you use it in the Notion mobile app.

Make it yours

Every template is a starting point. Rename sections, cut what you don’t need, and add what your team does differently.
